## **About the Farnsworth Art Museum:**

Celebrating Maine's Role in American Art, the Farnsworth Art Museum ([www.farnsworthmuseum.org](http://www.farnsworthmuseum.org)) offers a nationally recognized collection of works from many of America's greatest artists.

With 20,000 square feet of gallery space and over 10,000 works in the collection, there is always something new on view at the Farnsworth. The museum houses the nation's second-largest collection of works by premier 20th-century sculptor Louise Nevelson. Its Wyeth Center exclusively features works of Andrew, N.C. and Jamie Wyeth.

The Farnsworth's library is also housed in its Rockland, ME, campus. Two historic buildings, the Farnsworth Homestead and the Olson House, complete the museum complex.
