“Cooking with Chef Mains” Classes

“Cooking with Chef Mains,” the recently launched series of cooking classes taught by Chef Mains, continues in 2011. The participatory group classes are being offered every Wednesday through Friday on an ongoing basis from either 1-3 p.m., 2-4 p.m. or 3-5 p.m., based on availability. Each class is open to private parties of eight to 20 people and will take place in the open kitchen at No. 10 Water.

All classes include preparation of a four-course, custom-designed chef menu with an emphasis on using local, seasonal ingredients. Mains will walk class participants through each step of the cooking process as they learn to make appetizers, side courses, entrées and desserts in No. 10 Water's open kitchen. After they've prepared their cuisine, participants will enjoy their own creations accompanied by complementary wine pairings in the restaurant's inviting dining room. (\$55 per person)

“We really appreciate the growing enthusiasm and support of No. 10 Water Restaurant we're receiving from our community since our May launch,” Mains noted. “It's been great to see our Inn and restaurant's reputation as a festive gathering spot grow as word spreads about our special offerings.”
